

# GETTING HIRED 101

A Professional Skill Development Day for ProStart Students and Hiring Event for Foodservice & Hospitality Industry Employers

Finding qualified, engaged employees is a growing challenge for restaurant owners and operators. Luckily, the ProStart Program aims to help fill the employment void by educating high school students throughout Michigan on culinary arts and restaurant management skills. Get connected with ProStart students in your area by participating in this valuable event – the benefits for both employers and students are abundant!

## Employer Benefits:

- Assess ProStart student skill sets and gauge their preparation for the workplace.
- Share your knowledge and experience with the next generation of restaurant owners and operators.
- Conduct actual employment interviews with students from across the state.
- Network with other industry professionals.
